

Sacred Desire™

Igniting the fires of intimacy,
passion, and ecstasy

Honoring the Sacred Feminine & Masculine

YOU AND YOUR BELOVED are invited to immerse yourself in a luscious experience of Sacred Desire. This 2-1/2-day intimate gathering offers a unique opportunity to learn and experience the beautiful art of Tantra.

Men and women will learn how to give to their partner in a loving, healing way and how to fully receive through surrendering unconditionally – opening the gates to unlimited pleasure. As couples honor the Sacred Feminine & Masculine with their sexual love, they awaken a profound degree of intimacy that nourishes and enlivens every aspect of their relationship.

Robert and Renee will skillfully guide you through hands-on, proven techniques of intimacy and sacred healing that will enrich your self, your beloved, and your life.

YOU WILL LEARN...

- to unlock your ability for true intimacy and flowing passion
- to be fully present in intimate settings with your loved one
- the art of sensual touch – from erotic kissing to sacred healing massage
- to develop the skills for multi-orgasmic, blissful lovemaking
- to cultivate your own reservoir of unlimited pleasure – awakening your Shakti (your inner reservoir of sexual power)

“Andrew and I feel we have embarked on a journey down an entirely new path of intimacy, and we’re excited about the potential. This experience was extremely transformational, and we’re grateful to be taking our relationship to a new level.”
